SUMMARY

Recent graduate with a B.S. in Information Technology with a passion for learning and exploring new ideas in tech, and an ability to analyze and solve complex problems effectively. Past experience working in a variety of customer/client focused positions providing a foundation of strong communication skills, and ability to work independently or as part of a team. Seeking an entry-level position in the information technology sector where I can utilize and build upon the knowledge and skills I have gained.

EDUCATION

Bachelor of Science, Information Technology, 2015
Colorado State University, Global Campus

4.0 GPA, Honors Scholar
Relevant coursework: Intro to Computer Based Systems, Introduction to Networks, Information Systems and Security, Intermediate Networking, Object Oriented Programming (Java), Database Management (SQL Server), IT Project Management, Network Enterprise Solutions (Windows Server)

Undergraduate Coursework, Biology, 2007-2010
University of Mary Washington

Relevant coursework: Statistics, English, Computer Science, Linguistics

EXPERIENCE

Real Estate Agent, Long and Foster, 2012-2013

Gained communication and time management skills by coordinating appointments/meetings, and utilizing the MLS operational database to conduct comparative property price analyses. Improved visibility of homes listed by entering home attributes into databases, social media, property websites, and by creating and maintaining a personal website.

ACTIVITIES & INTERESTS

Volunteer Work, University of Mary Washington
- Orientation Leader, 2008 & 2009
- UMW Animal Rights Club, Vice President, 2009-2010

Publications/Portfolio
Written a number of articles for the technology news website, slashdot.org; active on social media and in the open source community; created and maintain personal websites; code samples are available on GitHub

Organizations & Memberships
Member of the Electronic Frontier Foundation (EFF), the American Civil Liberties Union (ACLU), Freenode IRC Network, Institute of Electrical and Electronics Engineers (IEEE), Women In Technology International (WITI)
